**Your Legacy Only \$110**

## BIG VISION FOUNDATION ENGRAVED BRICK CAMPAIGN

Through a unique public/private partnership between the County of Berks and the BIG Vision Foundation, the Berks County Youth Recreation Facility will be getting a \$7 million facelift. Charlie Wagner Field, a replica of Fenway Park will be the centerpiece of the athletic field upgrades. In addition to the athletic field renovations, the project will include added walking paths, re-construction of the handicapped adaptive nature trail and handicapped adaptive play equipment.

The renovations will create a destination that will continue to be a driving force to our local economy for years to come. Every resident of Berks County will be proud of this beautiful facility

You could become a part of this project forever by purchasing an engraved brick that will be placed within the complex. Whether it's your own name or a memorial tribute to someone else, these bricks will be a lasting legacy for only \$110. 50% of the proceeds benefit your school programs.
